

## Lafayette Football Booster minutes 3-23-2010

August 7<sup>th</sup> will be the Pancake Breakfast

Sheri Potter updated us on the Derby fundraiser. There is a meeting on March 30 from 6-8 in Louisville for organizations. Due to the uncertainty, work involved and limited profit of this event, the boosters decided to scrap this event.

Guy Franklin is working on finding a date for the golf scramble in June or July (after dead period). Chris Hiler is finding a course that would accept us. A motion was made by Mike Lincavage and seconded by Hughley to plan the golf scramble as a fundraising event. The 23<sup>rd</sup> of July looked to be the best date.

Alicia Smith is looking for people to take chocolate bars to sell. Contact her is interested

Brochure Revisions have been made. Guy will contact Doug to get picture to Billie for the graphic.

No news on the Twitter set up.

The boosters discussed getting an updated roster so that we know who to invite to a booster meeting before Boonesboro and to assign and track evenly the duties of Bingo, concession, field, general store, and fund raising.

It was discussed that a parent meeting needs to be planned before school lets out; with a follow up one after Boonesboro that outlines the expectations of a football family.

Meeting was adjourned. Next Booster meeting is April 8<sup>th</sup> at 6:30.
