  - Discussion: Expenditures -Lean but realistic, cut proposed budget by 18,000. Still have funds for equipment, senior night, but low on player meals.
  - Revenue- Budget supported with limited individual parent sales in an order to increase parent involvement with easier, more social events. NO Bingo as of yet. Focus needs to be on Amazon Gift Wrapping-We will need lots of participation for this fundraiser, Kroger Rewards - Ms. Silvestri has filled this position, Sponsorships- each family will be responsible for bringing in at least 1 sponsorship in the amount of 100\$- our budget cannot succeed without this, and Concessions- we will need lots of volunteers to make this happen. Huge for our budget with a 50% profit margin.
  - For meals donated by a business discussion: any amount of food donated over 600\$ would receive a sponsorship banner.

- Pot of Gold was filled by Valerie Morrison, Susan Bossert , and Mo Batts pending gaming license approval.
- Banners: Sponsorships of 600\$ or more will have access to credit card payment via Iphone app. These payments will be handled by Billie Peavler. 600\$ limit was set due to 2.75% fee accessed on all transactions. All proceeds will go directly into Lafayette Football Booster Acct.
- Prior notification will be given to all parents in ample time if having to discontinue Senior rings is ever an issue. This notification will happen so that parents will have time to purchase a class ring from the school if that parent chooses.
